MedMaster BHWB

Less Intrusive, More Comfortable, with Kenall's Signature Durability

MedMaster BHWB

- Delivered lumen range: 5,286 – 8,816 lm
- Input power: 57– 81W
- Efficacy: 90 – 112 lm/W
- Bullnose profile with sloped sides for reduced patient injury risk
- Available integral, low-voltage controllers for wall- and bed-mounted patient control

Nominal size: 7" x 37.7", 6.5" deep
Installation type: wall mount
Lamp type: LED

Lighting in behavioral health settings must consider not just illumination levels, but also patient well-being. Kenall's new MedMaster BHWB is a bullnose, wall-mounted, LED luminaire with bi-directional distribution and an improved design aesthetic. Its smaller profile is less intrusive, making it more comfortable for room occupants. Built tough to resist unauthorized entry without compromising Kenall's signature durability—guaranteed.
