

MedMaster BHWHS:

Unidirectional Wall-Mount Luminaire for Behavioral Health Settings

Kenall's new MedMaster BHWHS is a wall-mounted, bullnose LED luminaire with uni-directional (downlight only) distribution, and an improved design aesthetic. It has a smaller profile for less intrusion, and greater patient comfort. However, it is still built tough to resist tampering.

MedMaster BHWHS

- Delivered lumen range: 1,919 – 4,325 lm
- Input power: 22– 44W
- Efficacy: 80 – 104 lm/W
- Bullnose profile with sloped sides for reduced patient injury risk
- Available integral low-voltage controllers for wall- and bed-mounted patient control

Nominal size:	7" x 37.7" , 6.5" deep
Installation type:	wall mount
Lamp type:	LED
