Kenall’s new MedMaster BHWHS is a wall-mounted, bullnose LED luminaire with uni-directional (downlight only) distribution, and an improved design aesthetic. It has a smaller profile for less intrusion, and greater patient comfort. However, it is still built tough to resist tampering.

**MedMaster BHWHS**
- Delivered lumen range: 1,919 – 4,325 lm
- Input power: 22 – 44W
- Efficacy: 80 – 104 lm/W
- Bullnose profile with sloped sides for reduced patient injury risk
- Available integral low-voltage controllers for wall- and bed-mounted patient control

Nominal size: 7” × 37.7”, 6.5” deep
Installation type: wall mount
Lamp type: LED
