

Millenium Stretch Vanity™

Vanity Sealed for Infection Control

The 5" Millenium Stretch™ Vanity luminaire (MLHA5V Series) provides the style and durability necessary for more confined applications such as public restrooms, healthcare patient restrooms, rehabilitation centers and physician locker rooms. These luminaires have been designed for durability and sealed for infection control and cleanability. Select from multiple end caps, including our new "Stepped" and "Reveal" options, offering an aesthetically pleasing, architectural flair.

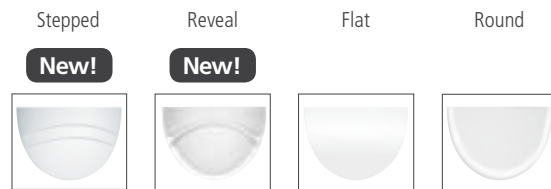

MLHA5V Series

- Available in 2', 3' and 4' lengths
- Available with T5, T8, T5HO lamp types
- 4' length available in 50-watt LEDs (4000K, 5000K and 5700K)
- Marine grade, extruded aluminum housing
- Designed for durability
- Decorative die-cast aluminum end caps
- Antimicrobial finish available

When installed according to our instructions, Kenall will repair or replace any unit rendered inoperable due to physical abuse for the life of the product installation under the Peace of Mind Guarantee®.

Multiple End Cap Options

Stretch end caps are marine grade die-cast aluminum with a 1,000-hour salt spray tested finish. The material and finish support even the most aggressive cleaning protocols.
